2008 Schedule of Sessions

Mon-Fri 9:00 a.m. to 3:00 p.m.

Summer sessions

- ❑ **June 16-20**
- ❑ **June 23-27**
- ❑ **July 7-11**
- ❑ **July 14-18**
- ❑ **July 21-25**
- ❑ **July 28-August 1**
- ❑ **August 4-8**
- ❑ **August 11-15**
- ❑ **August 18-22**

Tuition:

Tuition for the one week session is \$450.00. 50% is due at the time you submit your application to hold the space. The remaining 50% is due by June 1, 2008. Cancellations must be made 30 days or more prior to the start of your camp week for a full refund. Fees include use of the darkroom and all related darkroom supplies (paper and chemicals). Students must supply their own 35 mm. camera (must either be fully manual camera or be able to override automatic features to set manually). Students are required to bring 5 rolls of film (1 roll of TMAX-100 black and white film, 4 rolls of TRI-X-400 black and white film.) ****Do not bring color processing film because we will not be able to develop it during the camp. Please bring all film to the first day of camp and label the bag with your child's name. Snacks and drinks will be provided but students should bring a bag lunch.**

Students may enroll for more than one session. Since each class is limited to four students, instruction can be customized for each student.

Curriculum:

We cover photography fundamentals, camera operation, black and white film developing, black and white printing techniques, and hand-painting black and white prints. Students will learn about natural lighting as well as studio lighting. Two of the days will include field trips so students may work in different environments and lighting situations. Students will leave with all negatives and prints made during the class to begin their portfolios.
